## SUBSCRIPTION FORM

As readers know, we announced a plan last year to implement subscriptions to the *Upland Gazette* due to budget issues. As we noted, this issue—Spring 2011—is the last free issue readers will receive. If you would like to subscribe to the *Upland Gazette*, please fill out the bottom portion of this page and include a check or credit card information to cover the \$5 annual fee. Readers who choose this option will receive two printed issues by U.S. Postal Service.

Remember, you can always read or print out the *Upland Gazette* for free by going to our website: [www.ncwildlife.org/UplandGazette](http://www.ncwildlife.org/UplandGazette).
